Abes for Babes!

Through the Abes for Babes campaign, SCAN (Stop Child Abuse Now) engages the community in the fight against child abuse and neglect with the simple: "Have a penny? Help a child." The campaign began in February in celebration of Abraham Lincoln's birthday, and runs through April which is National Child Abuse Prevention Month. What a great time to raise awareness around this critical issue.

During the campaign, James Center donated all the coins we received from our fountain during the holiday season. Thank you for your support!

SCAN's mission is to prevent and treat child abuse and neglect throughout the Greater Richmond area. To find out more about Abes for Babes and SCAN, visit www.grscan.com.
