Perk up your lunch with “Disney Magic”

Disney’s “100 Years of Magic” celebrations and special offers are the focus of Covington International Travel’s spring lunch time event Tuesday, March 26th at the James Center.

From 11 a.m. to 2 p.m. in the Plaza adjacent to Two James Center, Covington vacation counselors and Disney’s representative, Jeffrey Moone, will provide information about:

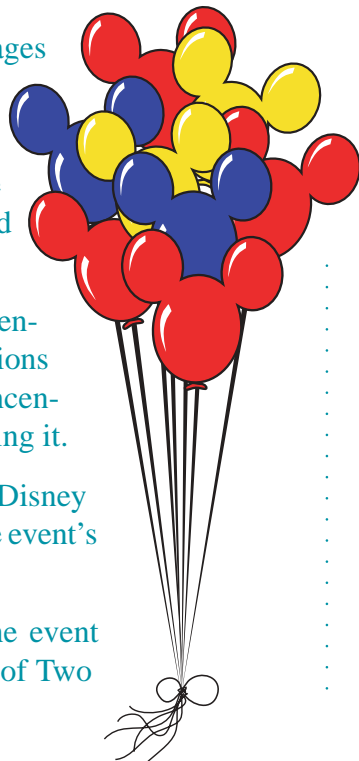

- Walt Disney World in Florida
- Disneyland in California
- Disney Cruise Line cruises
- Disney’s land and sea packages

Covington counselors David Alley, Diane Dix, Barbi Partlow and Vickie Rust will be on-site to assist those interested in planning Disney vacations.

Disney will offer booking incentives for those purchasing vacations during the event and provide incentives valid for the week following it.

Visitors may register to win a Disney gift at a drawing to be held at the event’s close.

If the weather is inclement, the event will be held inside the Atrium of Two James Center.

Wendy's 648-6947

Wendy's Founder Passes Away

Dave Thomas was much more than Wendy's founder and senior spokesperson. He was a mentor to many hundreds of people he helped personally and to thousands who have been inspired by his leadership. He was loved throughout the Wendy's family as a perfect example how really good guys can finish first.

To many, Dave often seemed larger than life. His position as our advertising spokesperson earned him celebrity status with which he was never completely comfortable. He always reminded us that he was "just a hamburger cook". Being a very humble man, Dave found a way to use his visibility to give back to the community, especially to generate awareness for the cause of adoption. The Dave Thomas Foundation for Adoption was created by Dave to help find homes for children in foster care. Because of his and the foundation's work, thousands of foster children now have "forever families".

Dave was the heart and soul of Wendy's, but we have embraced his culture as our own. We'll honor his memory by continuing to follow his ideals, take exceptional care of our customers and give back to the communities that support us. We will miss him dearly and we promise to carry on the tradition he created for our company.

In honor of his memory, here is a coupon for a free Biggie Size.
